

Considered But Rejected: *Arabis davidsonii* var. *parva*

Aaron E. Sims
January 20, 2017

Background

Postponed CBR for 6th Ed. but instead postponed. Currently in Jepson eFlora as a synonym of *Boechea davidsonii*, which has nearly 100 records from the Sierra Nevada and one from the Warner Mountains. There are also 8 records from Calflora. It's widely distributed across the Sierra Nevada and ostensibly too common, even for list 4.

Inventory Record

Arabis davidsonii var. *parva*

CBR: A synonym of *Boechea davidsonii*; a common taxon.
